- On the Score Board, score all pieces in the centre (this will enable the shaping of the petals)
- Take the middle petals and apply Tombow Liquid glue in the centre of the pack of one piece and adhere them together to form a cross
- Apply glue to the bottom (the rounded portion) of the 4 medium petals and adhere to the double petals to start shaping the flower
- Apply glue to the bottom of the 8 large medium petals and shape the flower
- Apply glue to the bottom of the 3 large Emerald Envy petals (leaves) and position around the flower
- Secure the flower onto the 1 3/8" Circle punched Whisper White piece
- Add loops of the Emerald Envy Metallic Thread in openings between the leaves and secure with Tear and Tape
- Adhere the Holly embossed Whisper White card stock onto the front of the card
- Add Dimensionals to the back of the circle and adhere the flower to the front of the card
- Gently pinch the petals and leaves to give it the dimension from the scored lines
- Add Basic Rhinestones to the centre of the flower
- Adhere the stamped Whisper White piece in the inside of the card
- You're done!
